Heerbeeck International College 2024-2025

Well prepared for
the future and a
great time!

Why choose Heerbeeck International College?

International environment

High Tech Campus, Brainport, Design Academy

Skills for Higher education

designed to align with competencies for university and college

Challenging and modern education

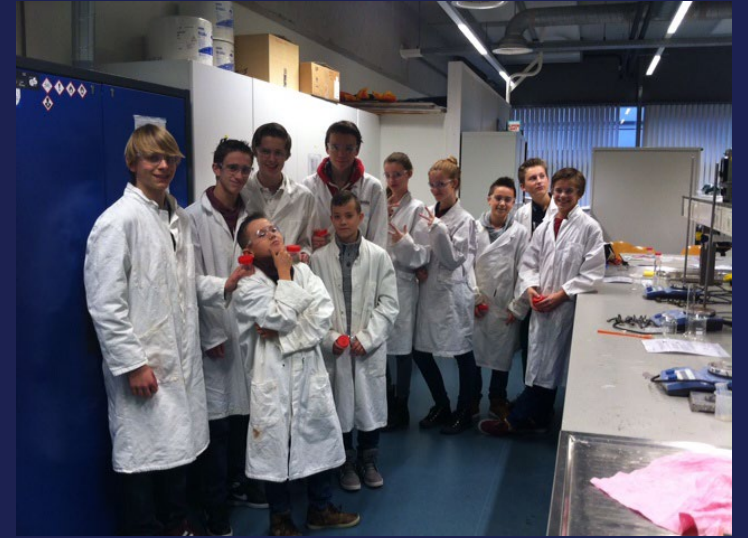

Bilingual education, context-rich learning and project-based work

HIC: How do we achieve this?

Our approach is centered on four pillars:

- ▲ International mindset
- ▲ Science & sustainability
- ▲ Design
- ▲ Entrepreneurship

HIC: international mindset

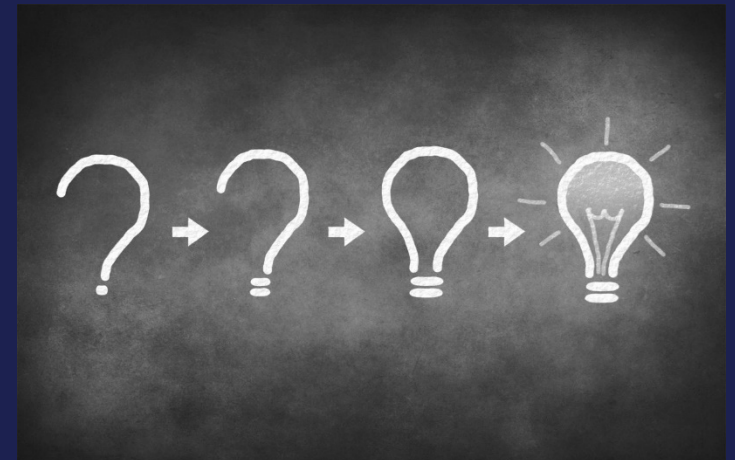

- Subjects in English Geography, History, Physical education, Science, Coding, Biology, Drama, Global issues and more
- Certifications TTO Junior Certificate, Checkpoints & Cambridge Cert.
- Spanish Offered for both HAVO and VWO
- Global topics in all topics
- Annual foreign trip From York to New York
- Projects Competitions with international students
- theater English speaking performances

HIC: 6 big misunderstandings about TTO

- ▲ It is way to hard!
- ▲ It will cost me more time to study.
- ▲ It is a higher level than VWO
- ▲ It will affect my Dutch language skills.
- ▲ My grades will be less high.
- ▲ People with dyslexia will find it harder.

HIC in the news

Leerlingen uit Best zetten lokale politici aan het werk na Engelse presentaties

BEST - Het was voor alle partijen een uitdaging: jongeren uit Best die in het Engels prangende kwesties aan de lokale politiek voorlegden. Maar leerlingen en politici waren enthousiast. En nog beter: over twee winnende thema's wordt doorgeboord.

HIC: science & sustainability

- Subjects Science P en R, Coding and Robotics
- Focus on S&S all subjects and project weeks
- Excursions visit Brainport companies
- Int. programs IJSO, Brainport Class of Entrepreneurship and Excellence
- Themes HIC Weeks for example: Dutch Deltaworkers, STEAM

HIC: Design

- ▲ Design as a subject
- ▲ Real projects in collaboration with an architectural firm
- ▲ Creative process development
concept → Design → Fabrication → Promotion
- ▲ Exhibitions and industrial design both domestically and internationally

HIC: entrepreneurship

- ▶ An attitude of courage and action !
- ▶ Project weeks e.g. Create your own country
- ▶ Economics / Young entrepreneur Programs
- ▶ Guest Lectures and excursions e.g. Strijp R of S, High Tech Campus, TU
- ▶ International Internships
- ▶ Model United Nations

Step out of your comfort zone

HIC: Challenging and modern Education

From first year to graduation!

- ▲ Bilingual courses in English
- ▲ New subjects include Global Issues, Spanish, Coding, Design, Science, Drama and philosophy
- ▲ More projects in regular lessons and four Heerbeek Weeks
- ▲ Context-rich learning e.g. Brainport assignments, internships
- ▲ Personal leadership growth in competencies like teamwork, presentation skills, proactivity based on Covey principles
- ▲ Personal digital portfolio > HIC plus Document with diploma.

HIC: Dedicated department and intensive guidance

- ▶ Coaches support students in study skills and personal development
- ▶ Continuous skill development through rubrics in coaching and lesson programs
- ▶ Building a personal portfolio to showcase talents and skills

HIC: Who is it for?

- ▶ Primary school recommends havo or vwo
- ▶ Not harder but more challenging due to:
 - extra focus on English-taught subjects
 - Learning inside and outside comfort zones (travel, project, research-based learning)
- ▶ Willing to take on challenges
- ▶ Interest in language and culture
- ▶ Inquiry-based learning and projects
- ▶ Competency-based learning

HIC: Benefits?

- ▲ **Bilingual Education** Full immersion in English
- ▲ **Additional diplomas** TTO, checkpoints and Cambridge
- ▲ **Entrepreneurial attitude**
- ▲ **Focus on competencies**
- ▲ **HIC dossier/Plus Document** Demonstrates competencies and experiences

▲ **Estimated parental contribution: €599,-**

Summary
